**TLD SERVICE EXPLANATION**

TLDs are sent out on a 30-day basis, to be returned in that time frame. We encourage you to use them all and send them in at one time to reduce your costs. Each shipment must include a control TLD.

TLDs are to be sent back to K&S in a clean condition. Any contaminations on the TLD plastic packet need to be cleaned off with a cotton ball and alcohol before sending in.

**Dose reports will NOT be issued without a calibration TLD provided with EACH returned TLD batch.**

**Do not expose the control TLDs!** *(Used only for in-transit and background recording).* Each return shipment must be accompanied by a control TLD for proper readout to achieve the stated uncertainty.

The cost of TLDs includes one report. Each additional report requested costs \$25.00 each. If the TLDs are staggered in their return, each return will result in a separate report at a cost of \$50.00.

***Special arrangements may be accommodated by prior arrangement.***

Please indicate how you intend to use these TLDs:

\_\_\_\_\_ all at once

\_\_\_\_\_ staggered

if so, indicate the time frame for completion\_\_\_\_\_
